

“The Adventure Park itself is amazing and super fun! Definitely a perfect spot for kids of all ages.” –H.W.C., Facebook

There are two kinds of people in this world. Winter People (they’re the BEST!) and Summer People (they’re the BEST!). And as it happens, both of those kinds of people are Bromley People (they’re the BEST!). Think about it. Alpine Skiing and Riding? It’s all about downhill action! Excitement! Adrenaline! Pushing your limits! The Triple-Track Alpine Slide, Sun Mountain Flyer ZipRider, Big Splash Water Slide, Aerial Adventure Park, Giant Swing and Disc Golf?? Same thing! See? Sometimes the twain do meet.

Ski Bromley

Vermont's Sun Mountain

Manchester, Vermont

“Best mountain in Southern Vermont...maybe in the East!”

– Kevin H., Google

Imagine... First tracks on a bluebird day, high on the mountain, a red sun low in the glades chasing the mist from the east and no place to go but down...

Or you and your BFF’s, a slopeside condo, blasting Blue Ribbon and Stargazer by day, with friends around the fire, steaks on the grill and laughter in the air late into the night...

Or you and the family up at dawn-thirty, coffee and eggs, roadtripping north to the snow for a day on the slopes that can’t be beat, and a ride home in a car packed with memories, gear, and kids napping in the back.

Three scenes, one mountain. Yes, Bromley was purpose-built, in 1936, as a family mountain. 100%. That said, our founder, Fred Pabst, had a need for speed and loved the steeps – and it was his mountain, after all.

So Bromley’s East Side is a ripper’s dream while the West Side lopes, ambles, and bowls along, terrain parks and glades abound, and the lower mountain is a learner’s garden of delights – and all trails lead to the Base Lodge so it’s tough to get lost.

The point is, however you like your mountain – steep or steady, with kids or friends, alone with each other or all by yourself – we got you.

“From the moment we checked in to the end of the day when they skied the kids past the parents, everything was top-notch.” – Bob K., Google

What do skiing and snowboarding parents want more than anything in the world – aside from affordable daycare and a good night’s sleep? Skiing and snowboarding kids! And we know this how? Because we ski. We ride. We have kids. We get it.

So the question becomes, how do we accomplish this wonderful objective of instilling in our children a life-long love of the Alpine sports (while having some quality schuss-time of our own)?

Easy-peasy! Bromley’s multi-faceted kids’ programs offer incredibly effective small-group and private classes, and season-long programs, for kids of all ages and abilities, on skis and snowboards. And for the not-even-walking-yet set? The Bromley Kids Center offers fantastically fun and loving daycare every single day. Yep. We got you!
