

# Vermont's Summer Adventure

## On your marks, get set...

Hang on just a minute. Are you ready for this? Are you prepared to lose yourselves in a whirlwind of good, old-fashioned, unbridled hijinks and childlike tomfoolery? Let's hope so. How's the old larynx doing? We ask because there's a good deal of zipping, fluming, sliding, spinning, bouncing and climbing in your near future and those sorts of things invariably lead to full-throated whooping, bellowing, hollering and laughing. Maybe some shrieking, too. So limber up the old pipes. Better safe than sorry. Okay. GO!
