

# What's the difference between a Bromley winter and a Bromley summer?

Clothes, mostly. And weather. Beyond that, regardless of the season, we're all about having fun. Like, say, by riding Bromley's legendary triple-track Alpine Slide, or splashing down southern Vermont's longest, wettest and wildest waterslide ride, The Big Splash. Or zipping through the trees in our Aerial Adventure Park or straight down the mountain on the Sun Mountain Flyer. Two parks, 23 great rides and attractions. A whole mountain of fun!

## "Such a great experience!"

Our first family ski vacation was awesome. My 6-year-old and 3-year-old are skiing and snowboarding like champs after one day of lessons. -L. Scott, Facebook

## If a mountain could blush...

We'd be red as a beet. But, honestly, awesome family ski days are what we're all about. That's what we strive for. In fact, that's what Bromley was designed and built for, back in '36. But wait, there's more!

Our Bromley fan continued, "Everyone, and I mean everyone, has been amazing! The child care people, the instructors, the people serving hot chocolate, the Bromley staff that is just passing by... all just happy to help you and make you feel welcome. Incredible time. Can't wait to return."

And, we're happy to note, this family is not alone. Pop on over to our Facebook page. With more than 1,000 reviews to date, from people like you with families like yours, we rate an impressive 4.5 out of 5 Stars - and we're working on that other half!

## We love kids!

The Snowsports School at Bromley continues to prove itself as one of the strongest and most respected teaching programs in the business, and was voted #3 in the East by *Ski Magazine* for Kid Friendly Activities in 2015!

Moms and dads who learned at Bromley bring us their kids, because there is a trust that is the cornerstone for successful learning. Here at Bromley we understand that. Children and adults alike won't find a better staff to learn from or a better mountain to learn on in the East. Come see for yourself.

The Bromley Kids Center, for children not quite ready, or not quite old enough to ski, offers wonderful, loving daycare for your child that lets you enjoy time on the slopes while they enjoy a fun-filled day in our childcare center.
