A World Class Attraction

As an entertainment destination – the Hockey Hall of Fame is truly in a league of its own.

Much more than a sports museum, the Hockey Hall of Fame is a vibrant, immersive and interactive celebration of hockey.

Spread across 65,000 square feet, the Hall of Fame offers something for everyone: the finest collection of hockey artifacts at all levels of play from around the world; state-of-the-art games;

themed exhibits dedicated to the game's greatest players, teams and achievements; an extensive array of multimedia stations; theatres; larger-than-life statues; a replica NHL dressing room; an unrivalled selection of hockey-related merchandise and memorabilia within our store; and NHL trophies including, best of all, hands-on access to the Stanley Cup.

It's your time to play & share

Try your hand at goaltending and shooting against life-sized, EA Sports animated versions of today's top players in the NHLPA Game Time model rink.

Call the play-by-play and host your own SportsCentre in the TSN Broadcast Zone.
