For descriptions and extensions,  
please see your in-room directory.

The diagrams illustrate the floor plans for Level 3, Level 2, and Level 4. Each level is U-shaped, with a central corridor and two wings. The accessible elevator is located in the central corridor, and the stairwells are located at the ends of the wings. The suite numbers are indicated on the wings.

- Level 3:** Suites 3061-3116. The accessible elevator is located in the central corridor, and the stairwells are located at the ends of the wings.
- Level 2:** Suites 4061-4116. The accessible elevator is located in the central corridor, and the stairwells are located at the ends of the wings.
- Level 4:** Suites 4001-4059. The accessible elevator is located in the central corridor, and the stairwells are located at the ends of the wings.
