Seasonal Camping

Campers who choose to leave their equipment on-site at Ocean View Resort Campground for the entire camping season are called Seasonal Campers or Seasonals.

Seasonals can choose from a variety of new or used units through Ocean View Trailer Sales and those units become their affordable summer home. From the spacious Ocean View Resort Home to towable Sportsmen Travel Trailers, Ocean View Trailer Sales has an option for you and your family. Visit their showroom.

- **The Ocean View Resort Home** is the largest and most luxurious of the options available through Ocean View Trailer Sales. Call (609) 624-0370 to schedule a campground tour and to see our finest summer home offering on site.

- **Chariot Eagle and Freedom Park Models** come in many different layouts and their living space can be almost doubled with the addition of a Florida Room.

- **Hyline Destination Trailers** are an affordable, spacious option that is also designed to accommodate a Florida Room for added living space.

- **Sportsmen Travel Trailers** are mobile recreational vehicles that have layouts consistent with travel and recreation.

Our seasonal camping rate starts at \$5,222 for the camping season beginning April 27, 2018 and ending October 8, 2018. We also offer an optional extended camping season which begins April 13, 2018. (Contact us for complete seasonal camping information)

Come and see all we have to offer your family. You will love your new home away from home.

Things to Do Outside Ocean View Resort

CULTURAL AND HISTORICAL CAPE MAY COUNTY

Cape May: The 157-foot-high Cape May Point lighthouse is still an aid to navigation. Visitors who climb to the top of the lighthouse can view the scenic Cape May peninsula. The first known lighthouse at Cape May was built in 1823. By 1847, the lighthouse had to be moved as the sea had encroached upon it to such an extent that the tower was surrounded by water and the foundation was threatened. The lighthouse was rebuilt on a high bluff and was never used. The current lighthouse was built in 1859. The Cape May Point State Park also contains a maritime museum, a guest shop, a birdwatching platform (this is a well known location for viewing fall bird migration), many walking trails, and surf fishing! Cape May Point State Park is a key site on the NJ Coastal Heritage Trail. For further information, please call (609) 884-2159.

Be sure to visit the concrete ship "Atlantis" now sinking off beach known for Cape May Diamonds at end of Sunset Boulevard. The Circular Guard Towers are also located at Cape May Point. Cape May & Wildwood stood watch for World War II submarines.

A Historic marker commemorating Revolutionary War patriot spies is located in Cape May. Lily Pond, now a bird sanctuary, was a fresh water source for the British until purposely polluted by local residents. The Remains of the British Sloop of War "Martin" lie preserved on Lighthouse Ave. A plaque notes it's history. Cape May City is known to many as "The oldest seashore resort in the U.S." Maps and other information are available at information booths at Washington Mall & Ocean Streets or on the boardwalk. The Cape May Coast Guard Training Center is located on the beach side of Cape May. Colorful graduation ceremonies are held here. Base is open to public on a limited basis. Mid-Atlantic Center for the Arts (MAC), Emlen Physick Estate, 1048 Washington Ave, Cape May (609) 884-5404.

The Cold Spring Presbyterian Church was originally built in 1718; the present church was constructed in 1823. The adjoining graveyard dates back to 1742. Perhaps more Mayflower descendants are buried here than anywhere else outside of Massachusetts.

The Wildwoods: Wildwood Crest's Turtle Gut Section is the site of the only American Revolutionary War battle fought in Cape May County. Turtle Gut Park is located at Miami & NJ Aves. The Wildwood Historical Museum, located at Wildwood City Hall Rooms 214 & 216, 4400 New Jersey Ave. is open weekdays 1 PM to 3 PM. The museum offers an interesting pictorial view of early Wildwood. Visit the Hereford Inlet Lighthouse 111 N. Central Ave., North Wildwood (609) 522-4520

Stone Harbor: Stone Harbor Bird Sanctuary, a registered national landmark, is a nesting ground for many varieties of herons and other birds and is located between 111th and 116th Streets on Third Ave. The Wetlands Institute, located on Stone Harbor Blvd., is a marine life museum with art displays, special programs and lectures. Call (609) 368-1211 for information.

Cape May Court House: Location of the County Seat. Original courthouse and jail were built here in 1764. Village provides many examples of Colonial and Victorian architecture. A historical museum and barn is located at 504 Rt. 9 North in the Cresse - Holmes house. Call (609) 465-3535 for more information. Visit the Cape May County Historical Society and Museum, located at 504 Rt. 9 North, Cape May Court House, (609) 465-3535.

Cape May County Park and Zoo is a beautiful park for you to enjoy, with tree-lined paths, natural seasonal gardens, picnic areas, playgrounds, bike trails and a pond for fishing. The Zoo is known for it's 600 plus inhabitants, the African Savanna, the reptile house and it's World of Birds aviary. Just six miles south of Ocean View Resort on Rt. 9. Donations accepted at gate.

Sea Isle City: The closest ocean beach to OVR is on the coast of Sea Isle City which is approximately three miles from us. At our entrance, turn right onto Route 9 south. At the first traffic light, turn left onto Sea Isle Blvd (east). You'll cross a bridge and discover a small shore town that in the 1870's was modeled after Venice, Italy by a man named Charles Landis. Many parking spots are metered in Sea Isle City; therefore, be prepared. The beach requires "beach tags" which can be purchased at the beach or from the Sea Isle Recreation Department. Sea Isle Recreation Dept phone # is (609) 263-0050.

Other interesting places and facts: Seaville Friends Meeting House, located on the west side of Rt. 9 in Seaville, was built in 1716. This is the oldest Quaker place of worship in New Jersey. Shoemaker Holly Tree, located on the Garden State Parkway between mile 23 and 24, is the largest holly tree in the state. The Parkway's route was realigned during construction to allow for it's preservation and creation of a park and picnic area. South Jersey Railroad Museum is located at 1721 Mt. Pleasant Rd, Tuckahoe (609) 628-2850. The Ocean City Historical museum, at 1735 Simpson Ave. contains many early Ocean City artifacts, including items from the "Sindia," wrecked on the beach at 16th St. Call (609) 399-1801 for information. U.S. Rt. #9 from Cape May to Beesley's Point follows the approximate path of an early stage route. Many early homes and former inns are still located along this route.

Ocean View Resort Campsite

Electric

Smaller campers are usually powered by 30 amp outlets, while larger campers may be equipped with a 50 amp power chord which will require either a 50 amp receptacle or a 30 amp adapter. Many, not all, of our sites have both 30 amp and 50 amp receptacles. There are several types of electric posts in the campground.

To the right is an example of a double electric post with the 50 amp outlet on one side and the 30 amp outlet on the other side.

Circuit Breakers

Each outlet is powered by a circuit breaker. **The circuit breaker must be on for the outlet you are using to have power.** The circuit breakers are labeled by amperage. For example, if you are in the 30 amp outlet, the 30 amp breaker must be on.

Water

Each of our sites has a water hook-up. You just need to have an RV/Marine hose to hook up to the water. Any garden hose will connect; however, we recommend an RV/Marine hose for potable water.

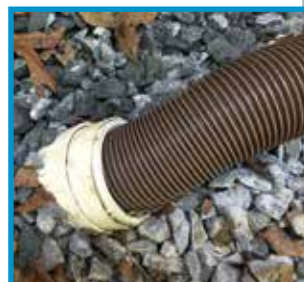

Sewer

Each of our sites has a sewer hook-up.

Remove the sewer PLUG.

It is recommended that you place the cap on the ground so you can locate and replace the cap when you leave.

There are many ways to hook-up your sewer, but we recommend placing the sewer hose approximately 2 inches into the open sewer fitting.

Don't push the hose in more than a few inches or it will cause a back-up in our system.

Guide: A Guide For New Campers

Fire Rings & Campfires

Each site is equipped with a fire ring. All campfires must take place in the fire rings. We have several types of fire rings.

Cannot be moved because they are cemented in the ground.

Easily moved by dragging.

WARNING: Don't move when hot!

- If your site's fire ring is the movable type, ensure it is situated in a safe place. The fire ring should be located at least 15 feet from your camping equipment, any vegetation or leaves, and anything flammable.
- **Campfires require adult supervision at all times. Never allow small children or pets near the fire.**
- Keep a shovel and a water source on hand sufficient to extinguish your fire. Before leaving your campfire, ensure that it is thoroughly saturated with water and extinguished.
- Do not light a campfire during periods of high winds.
- **Campfires are inherently dangerous and may cause serious injury or death without proper care and attention.** We recommend a full review of campfire safety tips on Smokey Bear's website prior to the starting of any campfires. Use our free Wi-Fi to access the website:
<http://www.smokeybear.com/en/prevention-how-tos/campfire-safety>
- If you are uncomfortable for any reason, don't light a fire. Call us.
- Keep fire ring a safe distance from people, equipment & trees.
- **Never leave a campfire unattended.**

Cable TV

Cable TV is available at every site. Most of the cable connections are located at the base of the electric posts. There are a few sites where the cable TV outlet is on a separate post in the back of the site.

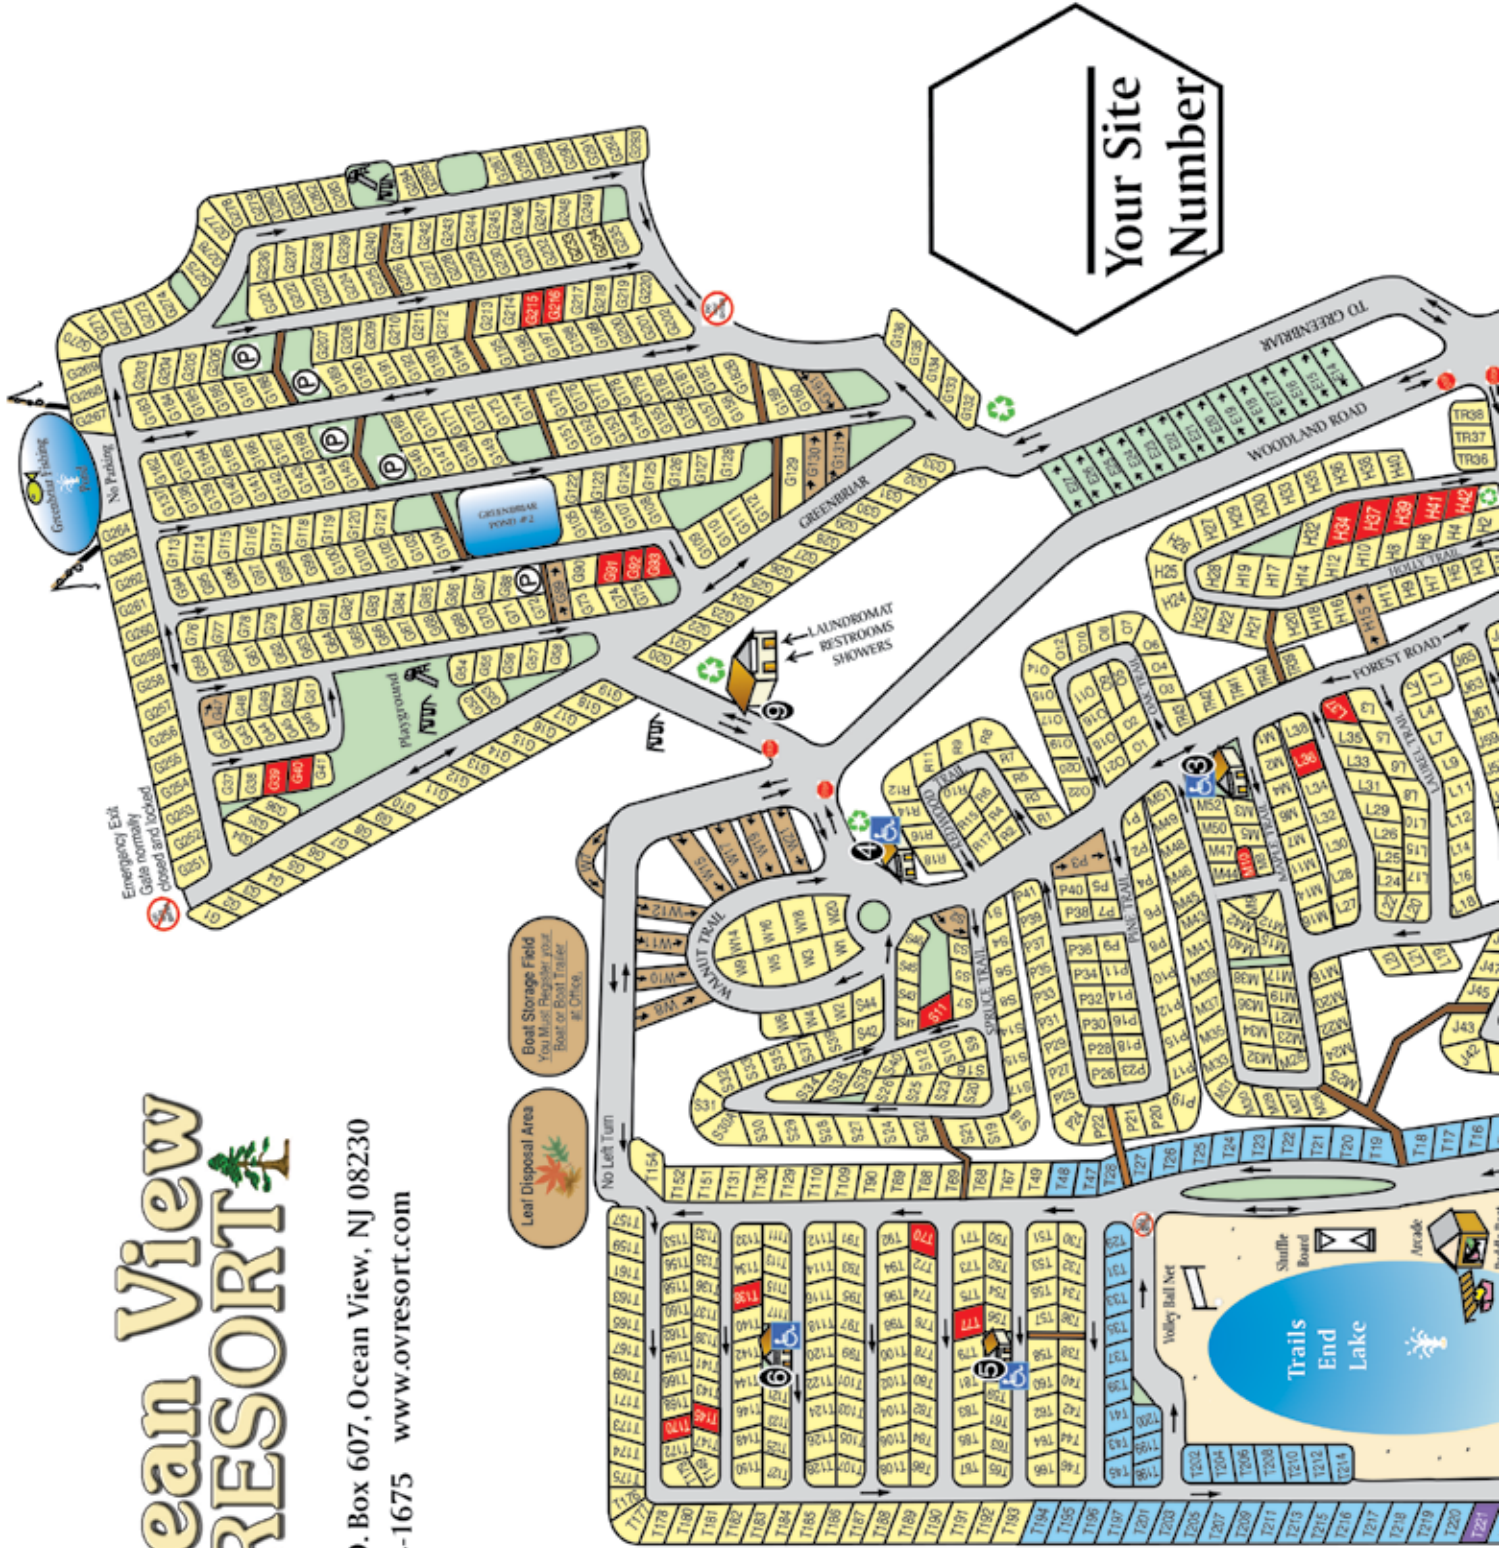

CABLE HOOK-UP

Picnic Table

Each site has a picnic table and the picnic table can be moved to your preferred location at your site.

Adjacent to OVR, Shore Gate Golf Club is carved from over 245 acres of pristine forest and is a unique combination parkland and Scottish links-style design that presents a dramatic sculptured and undulating feeling. It will offer an enjoyable challenge to golfers of every level in a strikingly picturesque setting. The natural contours of an ancient dune system are evident in many of the holes and provide an additional visual and strategic element to a course that puts a premium on accuracy and course management. A total of seven ponds and lakes add to the overall beauty and aesthetic appeal of Shore Gate. They bring water into play on seven holes, with few forced carries from the average golfer's tee. The club features five sets of tee markers on each hole, enabling each golfer to custom design the Shore Gate experience according to ability. Total yardage ranges from 5,200 to 7,200.

Our Amenities... Shore Gate features a state of the art multi-tiered driving range with both natural grass and artificial tees, a snack concession area, and a pro shop which stocks a wide range of golf equipment from Ping and Titleist as well as apparel from leading manufacturers such as Adidas, Greg Norman, Under Armour, Foot Joy, Ahead, and Cutter & Buck. Shore Gate's staff of PGA Class A golf professionals offers instruction seven days a week. Discounts are available for group lessons or booking a series of lessons. Shore Gate also staffs a tournament director to assist you with your golf outing.

Your Privileges... Ocean View Resort guests (seasonal campers, or campers staying for a minimum of one week at OVR) will receive unique privileges such as discounted greens fees at select times and extended tee time scheduling. Contact Shore Gate for additional information and details.

Brochures and rate sheets are available at the campground office.

Have You Seen the OVR Store?

Our 4000 square foot campground store is much more than you might expect! Whether it's something you forgot, something to entertain the little campers, or a gift or souvenir, we probably have it!

We've got camping supplies and accessories of course! Do you need an electric adapter, a sewer hose, a water hose, or a piece of coax? We've most likely got it! We normally stock propane and fuel for your camp stoves and lanterns! We also sell grills as well as outdoor cooking utensils.

We've got fishing supplies for the fishing pond! We've got beach chairs and toys for the lake! We have all sorts of outdoor sport gear as well as crafts for a rainy day.

We've got all the essentials: pain relievers and other medicines, suntan lotion, food, household supplies, cleaning supplies, health and beauty supplies!

We have tee shirts, sweatshirts, souvenirs, gifts. We sell books but also have a book swap. And if all you need is a little cash, we've got an ATM!

Camping Policies

(Complete Campground Policies Available at Office)

Visitors: Anyone entering the campground to visit your campsite or any member of your party that was not initially included during your campsite registration is a Visitor. Visitors must obtain a Visitors Pass from the Office or the Guard Booth. The day fee for a Visitor is \$9 and the overnight fee is \$11. We reserve the right to limit visitors. No overnight visitors on holiday weekends or with rentals. Visitors may not be in the resort without a registered adult campsite renter being present.

Bicycles: Bikes are required to have a working headlight and taillight if used after 7:30 pm. Please lock your bikes. Under NJ State Law children 16 and under must wear helmets.

Campfires: Campfires shall be maintained only in the fire rings provided and shall be used in such a manner that they will not create a hazard to people, vegetation, any structure and/or camping equipment. Fires are dangerous and shall be supervised by an adult and completely extinguished when not attended. No accelerants shall be used on campfires. Campfire flames shall be maintained at a safe height (no more than 3'). Pressure treated wood cannot be burned in the campground.

Checkout: Campsite and cabin rental checkout is 11 AM. Trailer rental checkout is 10 AM. Failure to vacate campsite/rental prior to check out will result in removal of your equipment to prepare site for next incoming guest. We will bill our current labor rate per man.

Children & Curfew: All children up to the age of 18 years must be at their campsite by 12 midnight. Site renter is responsible for the conduct and/or welfare of all children registered to his/her site.

Dogs/Pets: We will strictly enforce the N.J. mandates on safety, noise, and sanitation. You must clean up after your pet. Do not walk your pet unless you have the supplies with you to clean up after it. Pets must be kept on a leash not over 6' in length at all times. They must be attended and cannot be left at site alone. Pets are not allowed on lake beaches or in water. Pets should not create a public health or noise nuisance. All items are State of N.J. health laws. Pets are excluded from Cabin Rentals and Trailer Rentals. For a full list of our pet rules, visit our "Pet Friendly" website ovresort.com/petfriendly.php

Electric Scooters: Must be stand on models only. Drivers must be 16 years of age and be able to demonstrate their ability to operate the scooter safely. All campground rules apply. 10 MPH maximum speed. Cannot be used after dusk. A liability insurance policy is required. Provide a copy of the declaration page of your travel trailer or mobile homeowner's policy (that includes a minimum of \$100,000 of liability) to the campground office.

Photo Notice: Throughout the year, Ocean View Resort staff shoot both still photos and videos of our events, activities, and the camping experience for use on our website, newsletters, press releases, brochures, and other print and online publications. Campers and visitors attend events where photos are being taken, and may find their photos in such publications.

Flea Market: Sellers must reserve a table during the week preceding flea market. Only handcrafted (by seller or relative) or used items can be sold. No new items or items sold in campground store or Ocean View Trailer Sales. Reservation fee is \$5.

Quiet hours: Quiet must be observed from 11 PM until 8 AM.

Sewer Connections: *Travel Trailer:* Please do not place hose into sewer inlet more than six inches. A greater depth can cause sewage back up. Hose from trailer to sewer inlet should have a gradual pitch.

Tent Trailers: N.J. State health laws require that all waste water must be disposed into a sewer inlet. **No water can be drained onto the ground.** All Ocean View Resort Campground sites have sewer inlets. All campgrounds are inspected by county health authorities and violations must be resolved as soon as possible.

Septic Treatment: Ocean View Resort Campground is proud to be recognized as an environmentally friendly resort. We do not permit the use of any septic treatments containing formaldehyde or paradichlorobenzene. These two chemicals are listed as carcinogens and could cause serious threats to the quality of our ground water. Thank you for helping keep OVR safe, healthy, & beautiful for all of us and future generations.

Speed Limit: The speed limit in OVR is 10 MPH and is strictly enforced. Speeders lose gate passes

RECYCLING PLAN

As a reminder, the law requires everybody to recycle

Please take your garbage to one of our recycling centers. Separate recyclables from your waste and place in the appropriate dumpsters. **Do not place leaves or branches at our recycling stations.** Please do not place plastic bags holding recyclables in our dumpsters. Empty your bag and throw the empty bag in a green dumpster.

Our recycling stations are located: (1) Behind the game room, (2) In the lake parking lot near the pavilion, (3) Across from restroom #2 next to the Holly Trail entrance, (4) behind restroom #4 across from the Walnut Trail exit road, (5) near the entrance to Greenbriar and (6) near the Greenbriar restroom

PLACE RECYCLABLES IN **BLUE** DUMPSTERS

WHAT TO RECYCLE: Glass bottles and jars, plastic containers that have held food, beverages, soap, detergent or health/beauty aid products, newspapers, magazines, office paper, paper grocery bags, junk mail, corrugated cardboard.

PLACE TRASH & GARBAGE IN **GREEN** DUMPSTERS

The following items are sometimes assumed to be recyclables but should be placed in the trash: food boxes, shoe boxes, beverage carriers, pizza boxes, egg cartons, paper cups, paper plates, and laminated paper.

Camping Agreement

I, the undersigned site renter, acknowledge and agree to the following terms:

I acknowledge that my agreement with Ocean View Resort Campground grants a license, in exchange for payment of applicable fees, only for registered party members to enter the grounds and occupy the identified site for the duration of the site rental. I will be charged for the dates as reserved. Ocean View Resort Campground's property is privately owned and management reserves the rights to refuse service or revoke your camping license. There are inherent risks in camping and I absolve Ocean View Resort Campground of liability for the risks associated with normal camping activities. Ocean View Resort Campground will not be held responsible for any damages to your equipment or vehicle. I will familiarize myself and comply with all campground rules and policies, which are available for review at the campground office. I am responsible for my party and any visitors to my party and I am financially responsible for any damages caused by them.

Wireless Internet (Wi-Fi)

Ocean View Resort Campground is happy to provide free access to our network for the use of our guests. We ask no more than two connections per campsite. A concurrent connection to our network will last for 2 hours with the acceptance of our terms of use. After 2 hours, you will be disconnected; however, you may immediately reconnect.

Our free Wi-Fi can be accessed by connecting to networks containing the name OVRNET or OVR-Guest. You will need to be familiar with your wireless device to make it work; we are unable to offer technical support for your device(s). We recommend you ask the closest teenager for assistance with your device if you are having trouble.

Be aware that our network is a free, public access network. Users potentially place themselves at risk of virus, spyware, malware and hackers while using any public access network. OVR will not be responsible for any loss of data, property, or other loss associated with the use of our Wi-Fi.
