# Ski Mount Southington Day & Night!

## Convenience & Fun at Mount Southington!

Just minutes from Exit 30 on Route 84, Mount Southington offers a full range of slopes and terrain for beginners and experts! **Four chairlifts, two carpets and a handle-tow** provide easy access to our wide variety of trails, including our terrain park with fun and challenging features. State-of-the-art snowmaking and grooming make every run a great run – all across the mountain.

Just starting out? Our ski and riding lessons and weekly children's programs provide a fun and nurturing environment, giving kids (and adults) the skills they need to progress quickly and safely! We've got racing teams, afterschool programs, night skiing, affordable packages, weekend entertainment and special events throughout the season. There are so many ways to bring the delight of skiing and riding into your winter. Join us all season long!

## Group Specials

It's always more fun to ski and ride with friends. If you are affiliated with a school, church, corporate, or recreational group and would like to learn more about putting together a program—whether for kids or adults, day or night, single outing or multi-week—please contact us. We'll be happy to arrange a fun, safe and affordable package that meets your needs!

Just 5 minutes from Exit 30 on I-84

### KNOW THE CODE

YOUR RESPONSIBILITY CODE

- 1 Always stay in control
- 2 People ahead of you have the right of way.
- 3 Stop in a safe place for you and others.
- 4 Whenever starting downhill or merging, look uphill and yield.
- 5 Use devices to help prevent runaway equipment.
- 6 Observe signs and warnings, and keep off closed trails.
- 7 Know how to use the lifts safely.

# Ski Mount Southington

# WELCOME to WINTER!

2015 - 2016  
[www.mountsouthington.com](http://www.mountsouthington.com)

**CAUTION:** This is an unscaled diagram showing the general configuration of trails at the mountain. No representation is made concerning the number of trails open or closed at the same time. It cannot and will not depict specific snow conditions which are continuously changing. Be aware of changing conditions. Natural and man-made obstacles exist. Snowmaking and grooming activities are routinely in progress on trails. Skiers should realize that falls and collisions do occur and injuries may result. Use caution, ski in control, and ski on designated trails only. Always follow the skiers responsibility code.

## Get your kids out of the house and experiencing winter in a whole new way!

Mount Southington offers the best multi-week programs for kids! These programs are designed to build self-confidence and promote lasting friendships on the slopes. Weekend and afterschool options available. Get them started early with our Tiny Tykes program and they will soon be hooked and become a WildThing! See our website [mountsouthington.com/lessons-kids](http://mountsouthington.com/lessons-kids) for more information.
