

**Ales For Trails at The Wilderness Center, Saturday, July 26, 7-10 p.m.**

Beer just tastes better outdoors! Come raise a glass with friends and see for yourself on Saturday, July 26<sup>th</sup>, 7-10 PM, when The Wilderness Center will host Ales for Trails – a fundraiser to support much needed, trail and bridge repairs. The evening will feature tastings from Great Lakes, Sierra Nevada and Blue Moon Brewing Companies and will include tunes from Roger Hoover and the homegrown, acoustic sounds of Wormz and The Decomposers. Food, sodas and full sized beers will be available to purchase. Beer and music are *nearly* as good indoors, so in the event of bad weather, we'll just move the party inside. Tickets are \$15 each. Must be 21 and over to attend. For more information please visit [www.wildernesscenter.org](http://www.wildernesscenter.org) or call 1-877-359-5235.
