**Wine Country's
Original Hot Air Balloon
Company**

★★★★★

Imagine you are floating serenely above the most beautiful place on earth, the Wine Country.

Your **Nature Walk in the Sky** will begin just after dawn.

Sailing the wind currents, you can often view the **Pacific Coast, San Francisco's Skyline, Redwood Forests, Geyser Mountains,** the graceful **Russian River** and lush rolling vineyards.

As your gentle giant dances its way back to earth, celebrate your high spirited adventure with our **champagne toast**, accompanied by your pilot. You might also choose to enjoy brunch from a full menu, at our quaint gourmet café. We can guide you to discover wineries and many other attractions for the remainder of your day.

Safety

Our pilots, all **FAA certified instructors**, are the most qualified professionals in this region, averaging **35 years experience**. Our fleet of balloons are the newest design and the **safest luxury aircraft** available, featuring secure, separated, high sided compartments to comfortably accommodate **personalized groups** of 2 to 6 passengers. Private flights for 2 or more are available.

Reservations

We can usually accommodate your reservations on short notice.

Our meeting site is easy to find; located in Santa Rosa, just off Hwy. 101, only 50 miles north of San Francisco's

Golden Gate Bridge. We fly 7 days a week, year 'round, weather permitting. 72 hours notice is required for cancellation.

DestinationManager.com can assist you with your plans.

Give us a call, we'll help you discover the best kept secrets for **Accommodations, Transportation, Recreation, and Entertainment.**
