STEEL TOE TOUR

The Kansas City Steel Toe Tour gives you a chance to experience Harley-Davidson history and get up-close and personal with the Sportster®, Dyna®, and VRSC™ model families. This is the only Harley-Davidson Tour Center where you will see a Harley-Davidson Revolution® powertrain and vehicle assembled, and brought to life.

The tour route has been expanded for smaller groups to provide a more personalized tour experience. The Steel Toe Tour takes you through the manufacturing of fuel tanks, frames, and fenders, as well as many 'employee only' areas in paint and polish.

The Steel Toe Tour goes behind-the-scenes through areas previously unseen by the public. You will be required to wear a safety vest, safety glasses, and steel toe protection, all of which are provided.

Steel Toe Tour Admission Includes:

- Commemorative pin
- One \$5 coupon, redeemable in our Gift Shop
