## A Message from the Mayor

On behalf of St. Catharines City Council, I am thrilled to welcome our residents and out of town visitors to the 64th Annual Niagara Wine Festival. As a past Chair of the Niagara Grape and Wine Festival and now as the Mayor, I take great pride in celebrating our local grape growers and winemakers with everyone. This year over

40 wineries will be participating, a testament to the success of this burgeoning industry.

Once again Montebello Park will be the home of the Niagara Wine Festival for two weekends in September. The tradition of watching the Grande Parade tour through the downtown is always a highlight for me and my family and kicks off the Festival for everyone. For many years I've enjoyed visiting the Park to sip our local wine or sample local culinary fare with friends and family. The atmosphere is one of celebration for the entire family. Young and old, there are activities and entertainment that will appeal to all.

This year I will host my first Annual Mayors' Grape Stomp, where I will challenge my competitors to bare their feet and stomp more juice out of a vat of grapes than I can. Come on out and cheer me on, on Saturday September 19th!

I invite you to begin your journey to the Niagara Wine Festival by following @NiagaraWineFestival or check out [niagarawinefestival.com](http://niagarawinefestival.com) for details.

See you in the Park, at the Parade or along the Wine Route.

Hotel California is the premier tribute to the Eagles and arguably the most popular in the world! The group has performed in Japan, Dubai, Bermuda, all over North America and shared the stage with the *Doobie Brothers*, *Lynyrd Skynyrd*, *REO Speedwagon*, *Styx* and *Gretchen Wilson*, just to name a few. ## We're serious about grapes.

*"We are Ontario's 500 stewards of the land who proudly cultivate the fruits of our labour. We are masters of our craft, carefully tending our grapes to perfection—a labour of love that you can taste in every sip of wine that begins right here in our own backyard."*

**Wednesday's Engine | 1-2:45pm**

Wednesday's Engine is a Canadian recording project/cover band made up of members from past projects including Skirmish, Lost Johnny, Blu Bones, Gypsy Rose and Total Stranger.

**Levi Randall | 3:15-5pm**

Levi Randall, lead singer for the The Juliets, is a new man with an old soul; a singer songwriter from Toronto.

**Harlan Pepper | 5:30-7:15pm**

Formed in 2008, Harlan Pepper are four young men from Hamilton playing music with an old soul. Channeling the ghosts of long-gone AM car radios and haunting the dusty aisles of small town vinyl record bins, Jimmy Hayes (guitar, pedal steel, harmonica), Dan Edmonds (banjo, keys, vocals), Thompson Wilson (bass, vocals), and Marlon Nicolle (drums, vocals) are barely out of high school.

**Young Running | 7:45-10:30pm**

"Small Town City" is the third release from the roots-infused Toronto-based quartet, and is very much informed by not only the band members own personal journeys from small towns to the big city, but also by the homey vibrancy of the Toronto neighbourhood in which they now live – The Junction.

We are proud to be associated with The Niagara Grape and Wine Festival. In 1984 we produced a 15 minute video for television, that is now part of their history. Look for it on YouTube. We wish all success to Niagara's premiere event that is in the American Bus Association's Top 100!

**Evermile | 12:30-1:15pm**

Evermile is returning once again to the Niagara Wine Festival scene for its third season in a row. We love this event and of course want you to love it too! We have been working hard at updating our sets to bring you the best of the New and Classic Country. With male and female fronts, we offer you a wide variety of Country Music, with a few Rock tunes so you can get loud and party with us!

**The Abrams | 1:45-3pm**

John and James, The Abrams, are the fourth generation of professional musicians in their family. Barely into their twenties, they have been touring around the world for over a decade. The Abrams come from a strong tradition of Bluegrass and

Americana music, and have since created a signature sound that brings Country, Rock and Pop all together in one place.

**Brad James | 3:30-5:30pm**

This up and coming singer songwriter from Stoney Creek, Ontario has been making all the right moves since he came on the scene with his self-titled debut in 2009. The first single "If you like that sort of thing" made Larry Delaney's Canadian Country Music News top thirty list and received healthy airplay nationally for an indie debut.

**Autumn Hill | 6:15-7:45pm**

Some songs grab you right away, while others sink in over time and won't let you go. Autumn Hill's music does both. Beyond the immediate hooks – the vivid imagery, the effortlessly catchy choruses, and the passionate harmonies – Tareya

Green and Mike Robins tell compelling stories of loss and love from two distinct perspectives, and build soaring pop on a strong Nashville foundation.

### The Caverners – A Tribute to the Beatles | 8-10:30pm

## Saturday, September 26

presented by **97.7 HTZ-FM**

### Mel Monaco | 1-2:45pm

Mel Monaco, singer/songwriter, sets the lively mood with her unique brassy voice and hints of pop, rock and jazz. She and the band are ready to put on a show for Niagara!

### Theatre Crisp | 3:15-5pm

Theatre Crisp is a six piece live hip hop/funk/rock band whose sound is defined through the band's many influences. Sublime, Atmosphere, Hilltop Hoods, Bliss N Eso, Jack Johnson, Beastie Boys... there are too many artists to name that influence the style of this band. The strongest element stems from a hip hop background, delivering funky beats and conscious rap lyrics with soulfully sung choruses.

### Xprime | 5:30-7:15pm

Musicianship reigns supreme among Xprime's four multi-instrumentalist members. They've made a name and living for themselves by playing their original music and beloved classics all over Ontario and Quebec. Weaving their way through harmonies, fancy fretwork and beats with loop-de-loop roller coaster ease, it's safe to say that the guys know their way around a well-written pop/rock song, and their new EP "Xprime PM" is a delicious sampling of just that.

### Jonesy | 7:45-10:30pm

*Jonesy* is regarded as one of southern Ontario's premiere pop/rock bands. Made up from five unique personalities from the Niagara region, these lads have been playing together collectively for over ten years. They credit their success and longevity due to "always keeping things fresh". That's why you'll always hear the latest pop songs at a Jonesy show, mixed in with the classic ones you love from yesterday.

Mike Lynch is no stranger to hard work and has miles of road-tested performances across Canada. With many cross-Canada tours under his belt, Mike has appeared with Blackie and The Rodeo Kings, Jason McCoy, Great Big Sea, Charlie Major,

Clayton Bellamy, and a host of others.

Mike Lynch has been writing, recording, and performing his own music for nearly 15 years, but if you ask him about that he would probably say: "Heck, I'm just getting' started!"

### Brad Battle | 3:30-5:30pm

Brad Battle writes and sings from the heart. His sincerity and honesty translates into everyone being able to relate to his music. Brad's brand of Pop/Country music is catchy and written based on his life experiences.

Brad is ready to share his music with the world. After taking a hiatus to start a family, Brad is once again eager to pour his heart and soul into creating music. Recently, Brad has been working on his own material, in addition to collaborating with long time friend and country music star Tim Hicks. Check out Brad's newest songs "You Better Kiss Me" and "Singing You A Love Song"

### Small Town Pistols | 6:40-7:55pm

When you're declared Group of the Year at Canada's biggest country music awards show, that's major validation from a community with high standards. Ontario's Small Town Pistols won the CCMA title in 2014 after the brother and sister reunited for their 2013 self-titled debut.

Now Amanda and Tyler Wilkinson — formerly of country trio The Wilkinsons — are back with the follow-up, Pistology, an album that is personal and sometimes edgy, covering everything from parenthood and family values to vices and rivals. There's even a fictitious song about murder.
