Cruises on the *Sam Patch* Packet Boat

Traveling the routes of our early settlers, *Sam Patch* offers a leisurely 90-minute cruise on our historic waterways. *Sam Patch* provides an authentic Erie Canal experience while navigating through Lock 32, a working lock that has guided vessels along the canal for a century. Join us for a public cruise, private charter or special event!

Private Charters Available

Make your next big event one to remember by chartering *Sam Patch* for a spectacular cruise down the historic Erie Canal or Genesee River. Up to 40 guests enjoy exclusive use of the boat. Full Bar and catering available.
