Your Chicago adventure starts here!

360 CHICAGO offers the best views of the Chicago skyline and Lake Michigan from the iconic John Hancock Center.

- Breathtaking views of the city skyline and Lake Michigan and four neighboring states
- The observation deck is also home of the thrilling and exhilarating TILT ride - an enclosed moving platform that literally tilts you out and over the edge of the John Hancock Center
- Includes many learning opportunities about Chicago's history, rich neighborhoods and architecture - including interactive displays in 7 languages
- 360 CHICAGO's brand-new, modern bar and café features a full bar with daily cocktail specials, coffee, gelato and artisanal snacks
- North America's fastest elevator ride to our 17,000 sq.ft. observation deck
- Famed Magnificent Mile® location, in the heart of Chicago's finest shopping and dining area
- Just a 2 minute walk from Lake Michigan beaches

New Bar & Café

NEW!

New Multimedia Exhibition - At 360 CHICAGO, the guest experience begins at the ground floor with a museum style exhibition celebrating Chicago's history and nine of its culturally rich neighborhoods.

New Chicago History Multimedia Exhibition

The Stories and Photos of Michigan Pete, a new interactive display that pays tribute to Evald Peterson, - aka "Michigan Pete," a head caisson inspector for construction of the John Hancock Center - capturing his personal experiences and photos in a journal, bringing to life the architectural building feats and challenges recorded in his own words and pictures.

Michigan Pete Exhibit
