Woodland & Stream Garden

This peaceful respite offers shade-loving plants, cascading streams, subtle waterfalls and secluded alcoves.

Fountain Garden

Offering a refreshing splash in the heat of summer, this garden features a 42-foot interactive water feature with a floral motif.

The Heartland Harvest Garden

This edible landscape showcases more than 2,000 varieties of plants and features designs inspired by Tuscan vineyards, French kitchen gardens, Midwestern heritage quilts and the formal grounds at Villandry.

Marlese Lowe Gourley Island Garden

The Island Garden features a three-pooled water garden filled with aquatic plants such as Victoria Waterlilies; a sheltered sunken garden; an arbor and viewing pier; and a 600-foot "living wall".

Meadow & Pavilion

The Pavilion rests atop the highest point in the Gardens with views of the billowing native grasses and exuberant native flowering forbs that comprise the meadow beneath.

Perennial Garden

With more than 1,200 varieties of perennials with staggered bloom times, this 3.5-acre garden offers something new to see every time you visit.
