Streator, IL June 27 - July 1

200 artists • 16 murals • 5 days

Join international muralists and sign painters for 5 days of painting! 16 murals depicting some of Streator's most historic people and moments that have influenced the world. Some of which include the discover of Planet Pluto, the creator of MLB's Gold Glove, the First Transcontinental Flight, and Hopalong Cassidy! Don't miss this opportunity to be a part of history. You might even get a chance to paint along with us!
