

skydive chicago

Ready to make your first jump?

Experience that adrenaline rush you've been looking for as you step out into thin air and freefall for 60 seconds hitting speeds of up to 120 MPH while harnessed to an experienced tandem instructor! Take in the sights while enjoying an amazing 5-7 minute canopy flight in your descent down to Earth.

Skydive Chicago™ Instructors not only give you the thrill of your life, but also teach you how to skydive. Your Tandem Instructor will give you the opportunity to open the parachute and steer the canopy to the ground.
