**A** long the coast lies one of Florida's natural gems. Nestled within a hardwood hammock, Gumbo Limbo Nature Center offers an up close look at the island's inhabitants. Sea turtles, sharks & stingrays glide throughout our outdoor aquariums. Butterflies flutter around as you enter their miniature world. Take a shaded walk through our nature boardwalk (stroller & wheelchair access throughout). Make sure to stop at our gift store and take home a treasure of your own.

**We now have a Rehabilitation Center for sick and injured sea turtles.**
