

It's Electric!

Connecticut Trolley Museum

The Connecticut Trolley Museum is the nation's oldest incorporated organization dedicated to the preservation of the trolley era.

Enjoy a thrilling three-mile round-trip ride through the countryside in our beautifully restored antique trolley cars.

Explore our historic collection of over 70 pieces of trolley and railroading history. Share with the family how transportation once was while experiencing it for yourself!

Wrap up your visit with a fascinating self-guided tour of the Connecticut Fire Truck Museum - the largest collection of antique fire fighting apparatus in New England! Included with your admission.

- Fire Truck Museum Visit
