AMAZING CAPE COD
EXPERIENCE

CAPE COD'S PREMIER CULTURAL DESTINATION

Nestled in 100 secluded acres of natural beauty and curated art, Heritage Museums & Gardens is a true treasure. Stroll through gorgeous botanical gardens. Discover a hands-on learning adventure in Hidden Hollow™. Be inspired by indoor and outdoor exhibits of art and history. Ride on our antique carousel, or marvel at our world-famous collection of antique autos. **With so much to experience during our 50th anniversary year, you'll want to return again and again!**

2019 HIGHLIGHTS

50 for 50: Fifty Years > Fifty Favorites - Celebrate the story of the museum's first 50 years through 50 treasures - plants, autos, folk art, militaria, scrimshaw, carvings, and more - selected by people with a deep appreciation for Heritage.

From Carriage to Classic: How Automobiles Transformed America - Learn the origin story of the American automobile from the 1800s to the 1960s, through 23 cars from Heritage's permanent collection.

Human | Nature - Discover monumental sculptures from five invited Massachusetts artists placed throughout the grounds. Each artwork explores how humans and nature coexist, interact, and overlap.
