

# Count It! Lock It! Drop It!

## Mind Your Medication

- ✓ Follow the instructions for your medicine exactly as your doctor or the package says.
- ✓ Do NOT share prescription medications, even with other family members.
- ✓ Take inventory of your prescriptions & over-the-counter medications.
- ✓ Protect your medicine — store it in a safe place that only you can access.
- ✓ Dispose of unused, unwanted, and/or expired medicine in a safe way (do NOT flush medicine!).
