## About Us

Extreme Flight Simulation is the first and only Chicagoland company specializing in the field of flight simulation to open it's doors to the general public.

Have you ever dreamed of flying an airliner like the B737-800NG?

Extreme Flight Simulation is a Flight Simulation Center based around Entertainment and Recreation. We have a B737NG flight deck where the public can be the pilot and fly anywhere in the world choosing from 24,000 destinations world-wide in any weather conditions.

Our B737NG simulator is a 1:1 replica of the actual flight deck. From every display , switch, & throttle quadrant. Coupled with our 220 degree HD seamless screen will give you the look and feel of flying

Come see us to see for yourself in person. You won't want to walk away without trying it.

Extreme Flight Simulation welcomes you to host birthday parties for ages 10 and up. Attendees will have a classroom session prior to entering the simulator.

Afterwards each attendee will have a chance to fly with the birthday boy or girl creating a memorable experience.

We can work with you on catering or you can bring your own food. Please contact us for more information and pricing.

Adult birthday parties welcome too!!!

## Corporate Team Building

Extreme Flight Simulation offers the perfect opportunity to develop team building events for your company. Just as in any company, communication is one of the keys to success. In aviation, it's called "CRM" (Crew Resource Management). Working together to achieve the common goal of a smooth successful flight.
