

Our Vessel

We are proud to welcome you aboard The Perseverance. A new first class custom designed 43 foot high speed catamaran, built for comfort, safety, pleasure and an unobstructed view for our tours.

Our captains are U.S. Coast Guard licensed. Our courteous crews are trained guides and dedicated to making your trip safe, comfortable and informative.

Seals may be viewed in the water, on Sandbars or both. If you have specific viewing requirements please inquire so you can schedule your trip to suit your needs.

Come Explore the Cape with us aboard the Perseverance!

You may encounter the following during your trip:

- Wychmere Harbor
- Thompson's Clam Bar
- Stone Horse Yacht club
- Children sailing fleets of Opti's and 420's
- The old wooden schooner Tyrone
- Commercial fishing boats and Fish Weirs
- Ospreys ministering to their nests
- Red River, Ridgevale and Harding's Beaches
- Historic Stage Harbor Lighthouse at the mouth of Stage Harbor
- Kite surfing, kayaks, paddle boards
- Monomoy island and Morris island
- Seals, Sand dunes and Seabirds
- Chatham Lighthouse

Remember it's not just seals there is lot more to view during this adventure. The onboard guides give live, professional narration, including information on the history of the area. You may experience the National Seashore on the Atlantic, and a variety of marine life just below the water like schools of menhaden and striped bass and possibly a whale or shark!

Monomoy Light

Chatham Light

Stage Harbor Light

Several great white sharks have been tagged off Monomoy.

Sea Birds

Considered one of the premier bird watching spots in the Eastern United States, Monomoy Island contains a system of coastal habitats that attract migratory shore birds, water fowl, herons, song birds, and colonial sea birds.

The richness of avian diversity of Monomoy is well known by ornithologists and bird watchers alike. Approximately 305 species of birds have been recorded on Monomoy, representing more than 70% of the total number of species recorded in Massachusetts.

PLEASE REMEMBER NATURE IS ALWAYS CHANGING

1 Cruise the protected waters of Nantucket Sound to North Monomoy. See Stage harbor Lighthouse and Chatham light. Watch the seals and seabirds in a spectacular ecosystem. Observe a variety of fishing methods and children sailing, see the activity of a natural harbor. 1 1/2 hrs

2 This trip to South Monomoy is in more open waters, view the sand bars and dunes as you cruise to Monomoy Point. See the seals, seabirds and Monomoy Lighthouse. Observe where the Atlantic Ocean meets Nantucket Sound. Learn how Monomoy Island was formed. 1 1/2 hrs

Note: Parts of trip 1 and trip 2 may be combined

3 Our private charters are available for trips throughout Nantucket Sound, including Nantucket Island. Visit popular local harbors and learn their history... view fishing boats and yachts, local sailing clubs, and the famous Thompson's Clam Bar.
