Building toys are an important part of a child's skill development. Our store features the Playmobil, Automoblox, Keva planks, Zoob, Lego, Thomas Wooden Railway System and more!

Science and Education area features many interesting items such as authentic, scale-model, prehistoric replicas of Carnegie dinosaur figures, sea-life replicas, a life-like Insect Collection. Plus Science and Nature kits, microscope, chemistry kits, butterfly nets and volcano kits.

Fantasy World of Dolls are on display including Corolle, Gotz, Madame Alexander, all awaiting their move to your loving home. There are doll beds, high chairs, strollers, cradles and clothing to fit all types of dolls.

See our large selection of Breyer Model Horses, barns, tack, and accessories! Koalas, Lemurs, and Emu are some of the unusual creatures of nature you may find amongst the Stuffed Animals, Body Puppets and Infant Plush. Memorable brands such as Gund, Hansa, Aroua, Hape, Manhattan Toy Company, Mary Meyer, Steiff and Douglas Cuddle Toys are plentiful.

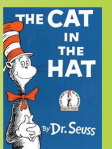

Creativity is enhanced when a child works with their hands and mind. Our Craft Kits and many Art Supplies (paper, paints, clay, etc.) are helpful for school projects. Our selection of children's Musical Instruments encourage musical appreciation and capture the imagination of a child.

Fun and Educational Board games, Classic games, Action games, IQ games; Jigsaw, Floor Puzzles and Wooden Puzzles are great for traveling and birthdays. Puppet Theatres, Marionettes, and Tin Toys are just some of the items that parents and grandparents are surprised to find!

Children's Book area features a selection of paperbacks, picture books, early readers, bath and board books. Teachers can find plush characters from some of your favorite storybooks.

Infant and Preschool toys are a big part of our store. We encourage our shoppers to play with the toys. Our knowledgeable sales staff enjoy demonstrating and assisting you with locating toys appropriate for your child.
