CINESPHERE

Cinesphere was created as the world's first permanent IMAX theatre. Cinesphere features a unique and immersive IMAX® theatre experience that allows for screening of films with IMAX's laser digital, as well as 70mm film technologies. Catch your next big screen

VISTA EATERY

Offering a casual dining experience and a licensed patio overlooking Lake Ontario, with a delicious range of local fare. Bonus: On select Sunday afternoons, guests can relax and enjoy live jazz on Vista's licensed patio, soaking up the sun at one of the most beautiful waterfront views Toronto has to offer.

FESTIVALS

The West Island will host some of Toronto's favourite summer festivals. A variety of events will take place every weekend, offering something for everyone – from food to live music and more!

SOMETHING for **EVERYONE**

SEGWAY TOURS

Don't miss your opportunity to experience Ontario Place on two wheels! Go Tours Canada will guide you through the rolling hills of the William G. Davis trail & the West Island with some photos ops along the way!
