

ESCAPE

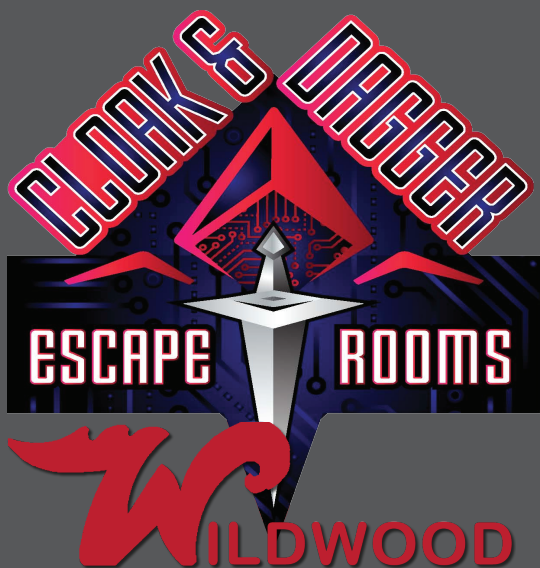

Escape rooms are live action, immersive games that require teamwork, curiosity, wit and strategy. You and your team are “locked” in a themed room and are faced with a series of challenging riddles, clues and puzzles. Solving them will allow you to escape! Escape rooms are for people of all skill levels with no special knowledge needed to solve the room and have a great experience. You will have 30 minutes to overcome the challenges.

Move quickly before time runs out!
