THE DEVICE

Dr. Watson Dangerfield is a brilliant inventor who has devoted his life to cold fusion. His device promises limitless energy for the world. Now, Watson has been taken captive and his device is set to detonate. Your team of agents has 60 minutes to save Milwaukee from doom!

For groups of 2-10 agents

**The Marshall Building
207 E Buffalo #312
Historic Third Ward**

MCSNOOTY'S GALLERY OF FINE ART

We suspect that this art gallery is really a front for a ring of credit card thieves. We need you and your team of agents to break in. We'll text you the code to get in the door and once you're inside you'll have 60 minutes to find evidence before the alarm sounds!

**For groups of 8-20 agents
1220 E Brady st**

THE TAILGATE

Everyone's waiting for you to join the tailgate party - but you forgot to bring the drinks! You'll need to raid a friend's apartment to grab a six-pack, but it's fiendishly hard to find. Hurry! In 60 minutes the game starts and the tailgating will be through!

For groups of 2-8 agents

**The Marshall Building
207 E Buffalo #312
Historic Third Ward**

AT SAVE MILWAUKEE, NO MATTER HOW MANY AGENTS IN YOUR GROUP YOU'LL HAVE THE ROOM ALL TO YOURSELVES!
