## UNCOVER

authentic artifacts from real missions, many on display for the first time.

**FEEL**  
the pressure a spy might experience with unique immersive opportunities.

**THINK**  
like a spy with deep-diving exhibit experiences that put you in the shoes of an intelligence operative.

**LISTEN**  
to real stories from real spies. The Spy Museum works closely with former international intelligence leaders to deliver an authentic, unbiased experience.

**EXPLORE**  
international espionage stories that influenced world events.

**DISCOVER**  
how the work of real spies shaped world history and continues to play a role today.

**TEST**  
your spy skills through interactive exhibits with RFID technology that gauges your personal spy capabilities.

Go undercover and test your spy skills on a mission as you travel the Museum's permanent exhibitions. This RFID-enabled experience tracks your performance on interactives and provides you with a debrief upon conclusion. Access will also be granted to a website where you can "meet" spies like you and access your full debrief and photos.

**\*UNDERCOVER MISSION IS INCLUDED WITH MUSEUM ADMISSION.**
