AN AQUARIUM LIKE NO OTHER

During a visit to our Exploration Center and Aquarium, you'll be introduced to a one-of-a-kind marine life collection that is **100% transitional, sustainable and locally-sourced.**

Every critter you meet—from horseshoe crabs and sea stars to sharks and little skates—has been recovered from local waters and, health-permitting, will be returned to its natural habitat.

Are you ready to meet the world beneath Narragansett Bay?

A MARINE SCIENCE CENTER WITH A MISSION

Your visit helps us protect and improve Narragansett Bay. The Exploration Center and Aquarium's programs and exhibits promote the health of local ecosystems, connect visitors to local waters, and raise funds that support Save The Bay's nonprofit education, advocacy and habitat adaptation efforts.
