We offer wine tasting, education on local wine, grape growing, Kansas wine history and our unique location. We sell Rowe Ridge wines and have a small gift shop with wine related items.

Visitors can purchase a bottle of wine, glass of wine, or a wine slushy and enjoy on the deck over looking the vineyard, on the patio or in the vineyard.

In the tasting room, visitors can sit at the tables and relax with their wine and color in a variety of coloring books.
