Living History of the U.S.
Submarine Force.

WHAT IS THE SUBMARINE FORCE LIBRARY & MUSEUM ASSOCIATION?

The Association was founded in 1972 to support and perpetuate the Submarine Force Library and Museum located in Groton, Connecticut. The goals of the Association are now, as they were then, to promote historical knowledge of submarines and stimulate awareness, recognition, and pride in the role of the submarine in Naval operations. When the Nautilus Memorial opened in 1986, that supporting role increased significantly.

WHAT IS THE ROLE OF THE ASSOCIATION TODAY?

The Association provides financial support to the Museum for preservation and maintenance of the collection and the facility, design and installation of new exhibits, and educational and outreach programs.

BECOME A MEMBER!

HOW ARE THE FUNDS GENERATED?

Financial support is generated from membership dues, donations and profits from the Ship's Store, all managed by the Association.

WHAT ARE THE BENEFITS OF BECOMING A MEMBER?

- E-Newsletters
- Invitations to special events
- 10% discount at the gift shop
- 10% discount on purchases by mail order or online
- Donors listed in our annual registry
- Feel good about supporting a vital and important cause!

EXPLORE THE WORLD'S FIRST NUCLEAR-POWERED SUBMARINE

Step aboard and tour the USS Nautilus, the world's first nuclear-powered submarine. Visit the museum, dedicated to the science, courage, and history of the U.S. Submarine Force. Whether you're a kid or a history buff, there's something of interest for every age!

Sit in the control room and experience the hands-on duties of submariners.

Explore historic memorabilia about the submarine's rich place in history.

Tour the USS Nautilus and experience where the crew ate, slept, trained, and relaxed.
