Benmarl
WINERY

Nestled in the lush green hills of Marlboro, overlooking the Hudson River Valley, our 37 acre estate lays claim to the oldest vineyard in America. The winery also holds NY Farm Winery no.1. Although our history runs deep, it's our tireless commitment to quality and consistency that has made us one of the premier wineries in the region. We hand-craft wines to capture the essence of their source, from our estate grown Baco Noir and Cabernet Franc, to our Riesling sourced on Seneca Lake, and merlot from Long Island.
