

SAINT LOUIS SCIENCE CENTER

Connect with curiosity.

Discover the wonders of science with more than 700 interactive experiences, our indoor-outdoor GROW agricultural pavilion and gallery, our famous James S. McDonnell Planetarium and our five-story OMNIMAX® Theater.

The Saint Louis Science Center invites people of all ages to explore and engage with science through fun and interactive learning.

Visit Your Museum:

Mon-Sat 9:30am – 4:30pm

Sun 11am – 4:30pm

General Admission is always free.

For the most up-to-date information on specials exhibits, events, movie showings, live-science demonstrations and more, **visit slsc.org**.

Da Vinci

THE EXHIBITION

SPECIAL EXHIBITION
JANUARY 11–APRIL 19

Explore the world of Renaissance Master Leonardo da Vinci and discover his passion for science and nature.

Featuring more than 60 life-size recreations of da Vinci's inventions and 20 replicas of his art, you will explore da Vinci's discoveries in engineering, flight, hydraulics, light, art, music and more.
