Gather some friends and family and hop onboard one of our Pontiki Cruises. Our fleet of PonTiki boats can provide the perfect venue for your special occasion or visit to Florida. We depart from Harbourside Place located at 200 US HWY 1 in Jupiter, FL. Harbourside has a variety of bustling restaurants, shops and plenty of parking. Once we depart on our two hour cruise we will travel the crystal clear waters of the Jupiter Inlet, heading North and along the West side of Jupiter Island, home to many celebrities and beautiful scenery. Our crew is very knowledgeable about the Jupiter area and happy to share their knowledge with you! There will be plenty of photographic opportunities and our crew is happy to assist you and your party in capturing your moment onboard.
