

Owner Sherry Groom with her World Record Troll Collection

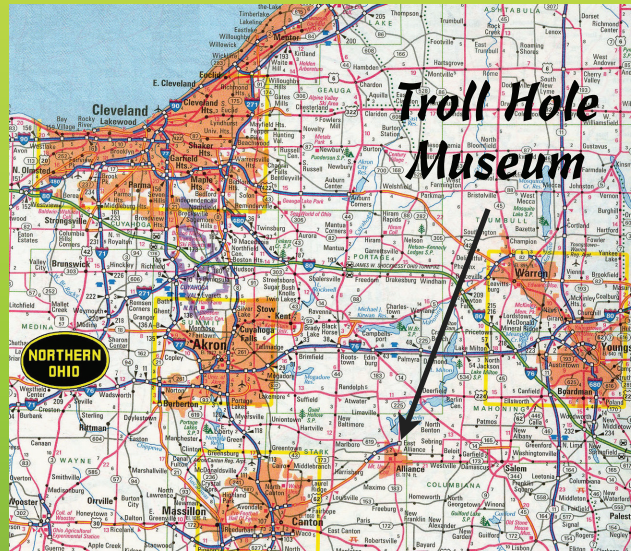

From childhood passion to Guinness World Record holder, Sherry Groom has been collecting trolls since the 1960's. She has turned that passion into a fun, exciting museum where you will learn everything about trolls from ancient mythology to modern toy. Plus, see our newest exhibits, the Dreamworks "Trolls" room with Poppy and Branch, our Troll Football Hall of Fame, and our Rock 'n Troll Hall of Fame.

In 2018, The Troll Hole Museum was voted one of the top 9 unique attractions in the United States.

Voted "Best of Cleveland" (Cleveland Magazine)
