

Evening Cruises

As a relaxing end to a busy day or to begin a night on the town, come aboard The *MV Heritage* for a jaunt around Portsmouth Harbor. Relax with your favorite cocktail and enjoy the night time sights of the Seacoast. Immerse yourself in the beauty of a sunset, view the spectacular lights of the city, or join us on a sunset wine cruise (select dates, please inquire). Bring a friend and get away from the crowds. (approx. 1.25 hours).

Inland River Fall Foliage Cruise

As we leave Portsmouth and head inland we will pass all of New Hampshire's industrial waterfront. We will cruise past tankers, freighters and cable ships loading and unloading; past the remains of old shipyards where military and merchant vessels were built throughout our history. As we continue inland we head up into Great Bay or the Cocheco River into Dover. This beautiful tidal estuary remains largely undeveloped. Our Inland River Fall Foliage Cruises are the Seacoast's most popular foliage cruises. Come aboard this fall for a unique cruise into some of the most picturesque scenery on the Seacoast. (approx. 2.5 hours).

Harbor Cruise

On our fully narrated Harbor Cruise we'll take you through nearly 400 years of local and American history from the settlement of the region in 1623 to Portsmouth Harbor's modern day role in the economy and defense of our country. This trip offers wonderful photo opportunities of lighthouses, mansions, submarines and historic forts. (approx. 1.25 hours).

Isles Of Shoals Cruise

If the open sea is your desire, join us for an Isles of Shoals cruise. Leave Portsmouth Harbor and discover the nine legendary islands located six miles off the coast.
