Classroom sewing machines

Our classroom is stocked with BERNINA sewing machines, and students may use one of our machines or bring their own from home.

Classroom machines are compliments of Hinkletown Sewing Machine Shop, our local BERNINA dealer, known for exceptional customer service, qualified machine maintenance, and great prices. Be sure to allow time to visit Hinkletown Sewing when you're here for a class. Their showroom is less than nine miles from The Old Country Store.

Long-Arm Services: Think you might like to try long-arm quilting? We offer long-arm machine certification, rental, and new-owner guide classes.

If you prefer that we do your quilting, get a quote or submit your quilt in the Services portion of our website.

Software Instruction for BERNINA machines: Software classes for BERNINA machines are taught by qualified instructors to both beginner and advanced students. Join Creative Studio, our 10-month software club for BERNINA owners.

Kids Classes/Youth Contest: Cultivating the next generation of quilters is important to us! We offer sewing classes for kids (ages 10-14), including a Beginner Introduction to Sewing, as well as project-based classes. Our Youth Sewing Contest, sponsored along with Hinkletown Sewing Machine Shop, is eagerly anticipated each year, as winners receive ribbons, gift cards, and BERNINA sewing machines. Watch for Contest information on our website, May-October.

Retreats: We occasionally offer weekend retreats focused around a particular quilt project. Hosted by one of our experienced teachers, the retreat (Friday evening through Sunday afternoon) is a terrific way to focus on a project while sharing time with new friends. Lodging and meals are the responsibility of each attendee.

Special Events/Trunk Shows: It's been our honor and privilege to host sewing celebrities like Kaffe Fassett, Lynne Hagmeier of Kansas Troubles' fame, Sue Daley, Alex Veronelli from Aurifil Thread, and others. Trunk shows with guest instructors, as well as local quilters have appealed to our community of quilters. Special events like these are held either in our 2nd floor Event Space or at an off-site venue.

UFO/All-Day Sew: Want a sewing day without the interruptions of home? Attend our UFO Day or All-Day Sew to work on your personal projects with the coaching of our experienced teachers.

Private classes/custom classes: Want a private class with your friends? We'll try to accommodate the date and lesson you want. Be in touch via our Contact Us page.
