

AN OCEAN OF DISCOVERY

Adventure Aquarium is just minutes from Center City Philadelphia on the Camden Waterfront and features unique exhibits with more than 15,000 aquatic species throughout two million gallons of water.

The aquarium is home to some of the world's most interesting animals. Go beyond the glass with four interactive touch exhibits and encounters with hippos, penguins, sharks and more as you explore and learn about life underwater.

Adventure Aquarium is an accredited member of the Association of Zoos and Aquariums and is held to the highest standards in animal care and exhibition.

AWESOME ANIMALS

SHARKS

No one does sharks like Adventure Aquarium! Explore our Shark Tunnel, a 40-foot suspended walkway surrounded by sharks. Cross Shark Bridge, presented by Horizon, the longest V-shaped rope bridge in the world where you walk just inches above the largest collection of sharks in the Northeast. At the Touch-A-Shark exhibit, you can even touch one of our 12 species of sharks.

HIPPOS

Adventure Aquarium is the only aquarium in the world to exhibit hippopotamuses. Come 'nose-to-nose' with Button and Genny, two massive Nile hippos in Hippo Haven, presented by Shriners Hospital for Children, where you'll view their graceful and effortless movements from underwater. Ask about our Hippo encounter.

PENGUINS

African penguins and little blue penguins call Penguin Island and Little Blue Beach home at Adventure Aquarium. Watch as the penguins in both exhibits swim, frolic and play together. Ask about our Penguin pop-in encounter.

SEA TURTLES

Ocean Realm is where you will see our four sea turtles, including local favorite Bob, a female loggerhead sea turtle and the third-largest animal at Adventure Aquarium. Bob often greets guests up close from the front panoramic window. Ask about our Sea Turtle encounter.

TOUCH EXHIBITS

Adventure Aquarium features four touch exhibits! You and your family will be thrilled to feel some of the world's most exotic sharks in the Touch a Shark exhibit. At Stingray Beach Club experience what it feels like to touch cownose and southern stingrays, and even hand-feed them. Head to The Grotto to get your hands on some warm-water invertebrates. At Creature Feature see and touch slick, slimy and all-around cool cold-water invertebrates, including several species of colorful sea stars.

BEHIND THE SCENES ENCOUNTERS

Go beyond the glass to get up close during a once-in-a-lifetime animal encounter. We invite you to snorkel with our sharks, tong-feed sea turtles, hang out with our hippos, meet five of our off-exhibit ambassador animals, go on a behind-the-scenes walking tour or participate in a special training exercise with our adorable African penguins! Space is limited. Call to book.

PLAY AREAS

Like the parks in your neighborhood, Penguin Park offers guests the chance to explore our soft play area while visiting the park's favorite inhabitants, African penguins. KidZone is a space just for kids, who will surely want to jump, climb, crawl and play their way through Adventure Aquarium.

DINING

The Marketplace, an eco-friendly dining experience, features a locally-sourced menu for the entire family. During the warmer months, the Flying Fish Beer Garden serves delicious beverages and snacks where you can sit, sip and relax on the outside terrace and take in the best view of the Philadelphia skyline. We are committed to helping combat plastics from entering our ocean through sustainable practices like composting and recycling and proudly support the Monterey Bay Aquarium Seafood Watch® program.

GIFT SHOP & H2O PHOTOS

The gift shop offers aquarium-inspired goodies for guests of all ages - from the finest of gifts to cute and cuddly plush animals. Our gift shop also provides guests the opportunity to help conserve animals through our "adopt-an-animal" program. Bring home a classic souvenir from H2O Photos to relive your memories at Adventure Aquarium.
